

Worthen Library: Board of Trustees Meeting

LIBRARY DIRECTOR'S REPORT FOR SEPTEMBER 8TH 2020: Submitted by Keagan Calkins

Items to Discuss:

- Fall storytime will begin next week. We will be outdoors and socially distanced. Tuesdays at 10 am.
- The Vermont Humanities book discussion for "The Hate U Give" will take place Wednesday September 16th at 6pm outside if weather permits and on zoom if it is raining.
- The library now subscribes to 4 children's magazines and 5 magazines for adults. If the magazines are popular we can always add more.
- The library staff is almost finished recataloging nonfiction and adding signage.
- We've had a fair amount of computer and internet users in the library. We've made exceptions for time limits for these patrons.
- We were contacted about hosting classes in the library, something to consider for the future (after we see how all the back to school activity plays out).
