

LIBRARY DIRECTOR'S REPORT FOR APRIL 13TH 2021: Submitted by Keagan Calkins

Items to Discuss:

- The Friends of the Worthen Library will be having their annual book sale once again this summer. July 8-10th. We will be accepted donations in good condition starting in June
- For the first time we will be selling library discards in the book sale with all the library information blacked out.
- I have ordered speakers, a projector, and a screen for outdoor programs this summer.
- Our Winter Wednesday Series with the South Hero Land Trust has two events left - Migrant Justice tomorrow and Farmsteaders on the 21st
- This week we are putting out our first four geocaches in cooperation with the land trust. You can use the geocaching app and/or the passport (available soon) to keep track of your progress.
- We will be working with the Island Libraries to present a series of teen programs to encourage Island teens to engage with the library. This will coincide with our Paul Post Grant Award.
- Summer reading programming is mostly scheduled. This year we'll be shifting the focus away from grand prizes.
- Short Story, Short Discussion has been meeting every week for a year now! Happy Anniversary.
