

Worthen Library: Board of Trustees Meeting

LIBRARY DIRECTOR'S REPORT FOR JULY 13TH 2021: Submitted by Keagan Calkins

Items to Discuss:

- Jim Bradley has given us a quote for the automatic door opener for the front door:
 - Door operators supplied and installed by Vermont Door Company: \$5,526.58
 - Electrical work needed for the operators by Hegeman Electric:\$1,300.00
 - Estimated Project Total: \$6,826.58
 - Please let me know if you would like to proceed with the installation. There is currently a 6-8 week lead time for the operators from the manufacturer. Keep in mind we will coordinate the project for the library, but we will not mark up the pricing to the Library.
- We will be getting an ARPA (American Rescue Plan Act) grant from the state for \$2,507. We are pretty limited on what we can spend it on. One idea is spending them on more bookshelves for the children's section.
- The Friends of the Worthen Library raised \$2,150 in just three days of the book sale. Thank you to the best Friends group in Vermont!
